Summary

Full-Stack Web Dev, Docs/Slide Design, & Data Solutions Specialist with 10+ years of verified delivery experience since 2015. Combines advanced mathematical rigor (STAI Al-Bahjah, 140 SKS, GPA 3.71, Advanced Statistics 89.8/A-) with modern web engineering (Next.js 15, TypeScript, Cloudflare Edge), quantitative research analytics (SPSS, SEM-PLS, Rasch Model), and board-ready business documentation. Maintained a verified 5.0/5.0 client rating on Sribulancer, achieved 3rd Place nationwide in the WOM Finance Commercial SEO Contest, and published empirical educational research with DOI indexing.

Experience

PT PRISMA DIGITAL KREATIF (Brand: PRADIKTIF), Strategic Technology & Growth Director — Cirebon, Indonesia — Jan 2025 – present

- Formulated institutional digital architecture and corporate documentation pipelines under official corporate licensing (NIB: 1801250039976, TDPSE Kominfo 017014.01/DJAI.PSE/01/2025).
- Engineered automated data processing workflows, financial feasibility models, and standard operating procedures (SOPs) for enterprise partners.
- Architected high-performance serverless web platforms achieving sub-second load times on Cloudflare Edge infrastructure.

Freelance Operations & Growth Consulting (Sribu.com & Global), Full-Stack Web Dev & Data Solutions Consultant — Remote — Jan 2015 – present

- Maintained a verified 5.0 out of 5.0 client satisfaction rating across executive business proposals, quantitative data modeling, and web conversion projects.
- Delivered 40+ end-to-end commercial feasibility studies, 5-year break-even cash flow models, and supply chain value flow mappings for SME and agribusiness founders.
- Guided empirical academic research methodologies (SPSS, SEM-PLS, Rasch Model, PRISMA 2020 SLR) for publication in national SINTA-accredited journals.

Al-Bahjah Foundation, Executive Secretary & Administration Lead — Cirebon, Indonesia — Mar 2021 – present

- Directed executive governance, administrative protocols, public reporting, and strategic communications across multi-departmental educational divisions.
- Standardized operational workflows and digital archival systems, accelerating organizational execution speed by 35%.

RadioQu Pontianak, Broadcast Operations & Media Specialist — Pontianak, Indonesia — Aug 2019 – Feb 2021

- Managed radio broadcast workflows, program scheduling, and journalistic editorial scripting under strict real-time production deadlines.
